In Bad Fix

"I had a mishap at the age of 41, which left me in bad
fix," writes Mrs. Georgia Usher, of Conyers, Ga.

"I was unconscious for three days, and after that I
would have fainting spells, dizziness, nervousness, sick
headache, heart palpitation and many strange feelings.

"I suffered greatly with ailments due to the change of
life and had 3 doctors, but they did no good, so I concluded
to try Cardui.

"Since taking Cardui, I am so much better and can do
all my housework."

Take CARDUI

The Woman's Tonic

Do not allow yourself to get into a bad fix. You might
get in so bad you would find it hard to get out.

Better take Cardui while there is time, while you are
still in moderately good health, just to conserve your strength
and keep you in tip top condition.

In this way your troubles, whatever they are, will gradu-
ally grow smaller instead of larger—you will be on the
up-grade instead of the down—and by and bye you will
arrive at the north pole of perfect health.

Will You Pay LIFE IN-
SURANCE or DEATH
INSURANCE-Which?

People willingly pay large sums for life
insurance, which is really death insurance,
but real life insurance frequently consists
in taking Eckman's Alternative.

Can any "lunatic" person afford not
to take the Alternative? Investigate it.
Write this very day for letters, testimo-
nials and affidavits showing that it really
has CURED Tuberculosis.

Eggs and milk fatten, without curing.
Eggs cost, say, 30 cents a dozen. Forced
feeding with eggs and milk (10 eggs a day,
\$1.80 a week—3 quarts milk a day, at 8
cents, \$1.68) costs over \$3 a week.

Eckman's Alternative sharpens the ap-
petite, makes life look different, brings
better health with greater earning power.
Often persons are so much improved that
they can work even before they are finally
cured.

Send today for literature on the subject,
if you are broad minded enough to be-
lieve that there can be a cure which has
not been sensationally exploited, or which
is not based merely on climatic or diet
restrictions.

Eckman's Alternative is good for all
Throat and Lung troubles, and is on sale
in Maysville by J. Jas. Wood & Son and other
druggists. It can also be obtained at or procured
by your local druggists. Ask for booklet of Cured
Cases or Write for Evidence to the Eckman Labo-
ratory, Philadelphia, Pa.

The Internal Improvement Committee was
authorized to repair West Second street be-
ginning where the contemplated brick street ends.

The following sidewalk apportionments—
with the exception of noted defects—were
read and approved: Limestone street, from
Second to Fourth; Wood street, from Second
to Forest avenue; William street, from Second
to Market to Grave alley; Third street,
from Plinn to Market street.

The Mayor and City Attorney were author-
ized to have said apportionments published.

The fate of the tree in front of the resi-
dence of W. H. Means in West Second street
is to remain unmolested until the present in-
junction suit on hands is decided.

Council adjourned to give Fire Chief Edward
Bite an opportunity to explain the workings
and merits of a fire alarm and police box, one
of which had been fitted up in the Council
Chamber for the special edification and in-
struction of the members.

There is more Catarrh in this section of the
country than all other diseases put together, and
until the last few years was supposed to be incur-
able. For a great many years doctors pronounced
it a local disease and prescribed local remedies,
and by constantly failing to cure with local treat-
ment, pronounced it incurable. Science has
proven Catarrh to be a constitutional disease and
therefore requires constitutional treatment. Hall's
Catarrh Cure, manufactured by F. J. Cheney &
Co., Toledo, O., is the only constitutional cure on
the market. It is taken internally in doses from
10 drops to a teaspoonful. It acts directly on the
blood and mucous surfaces of the system. They
offer one hundred dollars for any case it fails to
cure. Send for circulars and testimonials. Ad-
dress, F. J. CHENEY & CO., Toledo, O.

Sold by Druggists, 75c.

COUNCIL
PROCEEDINGS

The City Fathers met in adjourned session
last night, Mayor Lee presiding and all mem-
bers present with exception of Councilman A.
Clooney.

The following belated accounts were al-
lowed: Joseph Harrison, clock keeper, \$18.75;
C. and O. Railway Company \$133.60.

The list of members of the Washington and
Limestone Fire Companies were read and ac-
cepted.

A statement was read from City Treasurer
James W. Fitzgerald acknowledging the re-
ceipt of \$51,593, the same having been paid
over by City Clerk W. J. Kerwin as amount of
tax collections for 1910.

John Burk was granted the privilege of re-
moving his saloon from No. 8 East Second
street to No. 6 same street.

Brawley Bros., sidewalk contractors, having
assigned to the Farmers' and Traders' Bank all
moneys due them by the City of Maysville for
sidewalk construction, was, upon their own
petition, ordered paid to said Bank.

The same order was made regarding moneys
due Hord & Evans.

An ordinance requiring property owners to
have weeds growing on their premises cut at
their own expense, under a penalty of \$10 fine
in failing so to do, was read, and upon suspen-
sion of the rules, was passed and adopted.

Member Harover stated that inasmuch as
the last meeting was held on a legal holiday,
and in order to set up any quibble that might
arise as to the legality of actions taken at
said meeting, he thought it wise that a resolu-
tion ratifying the work of Monday night should
be adopted, which was promptly done, all vot-
ing aye.

The Mayor was authorized to confer with
the Streetcar Company in regard to the rear-
rangement of the car track in Market street.

In regard to the wall on the Wallace prop-
erty in Fifth street, the Committee reported
that it was a matter in which the city was in
no wise concerned.

The Mayor was instructed to proceed with
the condemnation as a nuisance the old sheds
on the Collins lot in East Second street, Fifth
Ward.

YOUR HAT

May Be a Stylish One, But It Makes
Trouble.

A man usually buys a hat that's "in
style," but the modern hat for men has
lots to answer for.

Baldness are growing more numer-
ous every day. Hats make excellent
breeding places for the parasitic germs
which sap the life from the roots of the
hair.

When your hair begins to fall out and
your scalp is full of Dandruff it is a
sure sign that these countless germs are
busily at work.

There is but one way to overcome the
trouble and kill the germs—that way is
to apply Newbro's Herpicide to the
scalp—it will kill the germs and healthy
hair is sure to result.

The Tenderfoot Farmer

It was one of these experimental farmers, who put green
spectacles on his cow and fed her shavings. His theory
was that it didn't matter what the cow ate so long as she
was fed. The questions of digestion and nourishment had
not entered into his calculations.

It's only a "tenderfoot" farmer that would try such
an experiment with a cow. But many a farmer feeds him-
self regardless of digestion and nutrition. He might almost as well eat shav-
ings for all the good he gets out of his food. The result is that the stomach
grows "weak" the action of the organs of digestion and nutrition are impaired
and the man suffers the miseries of dyspepsia and the agonies of nervousness.

To strengthen the stomach, restore the activity of the or-
gans of digestion and nutrition and brace up the nerves,
use Dr. Pierce's Golden Medical Discovery. It is an un-
failing remedy, and has the confidence of physicians as
well as the praise of thousands healed by its use.

In the strictest sense "Golden Medical Discovery" is a temperance medi-
cine. It contains neither intoxicants nor narcotics, and is as free from alcohol
as from opium, cocaine and other dangerous drugs. All ingredients printed on
its outside wrapper.

Don't let a dealer delude you for his own profit. There is no medicine for
stomach, liver and blood "just as good" as "Golden Medical Discovery."

WOMEN'S WOES.

Maysville Women Are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people in this locality.

Mrs. Etta Carson, Front street, Vanceburg, Ky., says:

"My kidneys were disordered for several years and I suffered from attacks of lumbago. My back ached intensely and the kidney secretions were profuse at times, while at others, scanty and distressing in passages. If I attempted to stoop, sharp twinges darted through my kidneys and often I became very weak. I finally began taking Doan's Kidney Pills and they proved of benefit in every way. I know of other persons who have used Doan's Kidney Pills with satisfactory results.

Danderrine

GROWS HAIR and we can PROVE IT!

A lady from Minnesota writes: "As a result of using Danderrine, my hair is close to five feet in length."

Beautiful Hair at Small Cost

HAIR troubles, like many other diseases, have been wrongly diagnosed and altogether misunderstood. The hair itself is not the thing to be treated, for the reason that it is simply a product of the scalp and wholly dependent upon its action. The scalp is the very soil in which the hair is produced, nurtured and grown, and it should receive the attention if results are to be expected. It would do no earthly good to treat the stem of a plant with a view of making it grow and become more beautiful—the soil in which the plant grows must be attended to. Therefore, the scalp in which the hair grows must receive the attention if you are to expect it to grow and become more beautiful.

Loss of hair is caused by the scalp drying up, or losing its supply of moisture or nutriment; when baldness occurs the scalp has simply lost all its nourishment, leaving nothing for the hair to feed upon (a plant or even a tree would die under similar conditions.)

The natural thing to do in either case, is to feed and replenish the soil or scalp as the case may be, and your crop will grow and multiply as nature intended it should.

Knowlton's Danderrine has a most wonderful effect upon the hair glands and tissues of the scalp. It is the only remedy for the hair ever discovered that is similar to the natural hair foods or liquids of the scalp.

It penetrates the pores quickly and the hair soon shows the effects of its wonderfully exhilarating and life-producing qualities.

One 25-cent bottle is enough to convince you of its great worth as a hair growing and hair beautifying remedy—try it and see for yourself.

NOW at all druggists in three sizes, 25c, 50c and \$1.00 per bottle.

FREE To show how quickly Danderrine acts, we will send a large sample free by return mail to anyone who sends this free coupon to the KNOWLTON DANDERRINE CO., CHICAGO, ILL., with their name and address and 10c in silver or stamps to pay postage.

The Beginning of the End!

It will be but a few weeks before our Fall Goods will arrive. Before then the remainder of our summer wear needs cleaning up. The proper remedies, though "somewhat drastic," will be applied to give relief.

The price reductions through the entire line of Light Weight Suits, including some weights sufficiently heavy for fall wear, are such that we feel sure that they will appeal to every one that has the slightest excuse to buy a suit of clothes. Come and investigate.

Our Fall Shoes are already in, among them the Barker-Brown Working Shoe, the best in the world. Every pair warranted to give satisfaction.

We give tickets on our \$200 Victrola with receipts for your accounts, which are now due. You will remember that our Mr. Dave Hechinger will give \$200 to the lucky one if for sale.

In 'Squire Pickrell's Court yesterday Charles Price was fined \$25 and cost; George Carter, John Page and Walter Stewart, \$5 and cost each, and Dick Watts \$10 and cost. They were all colored and a bad lot of citizens. They were committed to Jail.

When the new Fire Department gets on its feet it is bound to be a grand thing. There will be twelve fire alarms and Police boxes in the city—two in each Ward. Independent of the city boxes the American Tobacco Company will have one installed in its office and the Ohio Valley Pile Works will do the same, both of whom will maintain the system at their own expense.

DEMORALIZING IN EFFECT.

Mayor J. W. Lee being interrogated as to his attitude regarding the Jeffries-Johnson fight pictures said, in substance—"I like to be fair and liberal in all things, but in this case I think such pictures have a degrading and demoralizing influence, especially on the young." The fact that the Pastime does not admit colored people, and the large expense attending the production, will in a manner, be a bar to its appearance at either place—Washington or Pastime, and that being the case the pictures are not likely to appear in this city.

IMPROVEMENTS.

Forest avenue, in the immediate vicinity of Commerce street, is undergoing a building and general improvement boom. Mr. James M. Woods has moved into his handsome new residence, and Mr. James A. Wallace has rebuilt and modernized his recent purchase to such an extent that, practically, it is a new structure, and a beauty as well. In like manner has Editor A. F. Curran's Colonial home and ample grounds, fronting on Forest avenue, and Commerce street, been retouched by the painter, paper hanger and landscape gardener until it is one of the most beautiful and desirable homes in the city. City Attorney James M. Collins will also add decided improvements to his property in that locality, as has also Policeman Thomas H. Santoney. Altogether, Forest avenue, with its wide thoroughfare, stately trees and ample award, is perhaps the most inviting residence portion of the city.

The victory of JACK JOHNSON over JAMES J. JEFFRIES was so clean cut, decisive and finished that no white man who stands for the "square deal" will raise a hand to withhold from the Negro champion all the credit that is due him. JOHNSON and JEFFRIES are both masters of brute force and are so brutal that they have no finer sensibilities to hurt, therefore don't waste any sympathy on JEFFRIES, who has peacefully passed into the has-beens in the Down-and-Out Club. There is always "a better man" and JOHNSON is sure to get his later on.

Kirk La Shelle met an actor and noticed that he was wearing a mourning band on his arm. "It's for my father," the actor explained. "I've just come from his funeral."

La Shelle expressed his sympathy. The actor's grief was obviously very real and great. "I attended to all the funeral arrangements," he said. "We had everything just as father would have liked it."

"Were there many there?" asked La Shelle. "Many there!" cried the actor with pride. "Why, my boy, we turned 'em away!"

LOS ANGELES, July 25th.—"It's the Lord's will; let us not be downcast. Jim's fought his last fight," said Rev. Alexis C. But I am afraid he has not lived as he ought—late hours, you know, and smoking, and I have thought that Jim drank a little at times. That shows that he has not lived right, and the Lord has taken this way of bringing him to his senses. I hope it will be a lesson to Jim."
